ICA welcomes appointment of NSW CTP advisers

Insurance Council of Australia CEO Rob Whelan said: “The Insurance Council of Australia welcomes the NSW Government’s appointment of John Della Bosca and John Walsh AM as special advisers to the CTP steering committee.

“Mr Della Bosca and Mr Walsh are highly regarded by the general insurance industry. Their level of expertise in general insurance, accident compensation, disability services and injury management will assist all stakeholders in the reform process.

“The ICA is also pleased more costing information on the reform package will be made available next week. This may help all parties assess the impact of the proposed reforms on outcomes for injured motorists, and on capital and logistical requirements for insurers.”
